Bonus Opportunity: Every \$500 dollar donation and any greater \$500 increments will generate entries into a drawing for prizes:

Grand Prize: club or individual winner will name a (P) / MJF awardee using host club unnamed credits. Grand prize will be the last prize drawn.

Two First Prizes: club or individual winner will name an awardee to receive 500 points toward their next (P) / MJF using host club unnamed credits.

Thank you for considering a donation to this matching campaign to strengthen LCIF's Disaster Relief Fund for victims of the Turkey- Syria earthquake. We should feel immense pride in our Foundation with a recent LCIF report already showing nearly \$200K in grants being approved to help the people in the impacted region. Based on the devastation seen on the news, be assured that many more dollars and much time will be needed before this region returns to normal.

Any size donation to the LCIF Disaster Fund is welcome and will be matched \$ for \$ up to the \$10000 that the host clubs have committed for this campaign. The bonus opportunity detailed above is in addition to the normal credits you will receive for your donation to the LCIF Disaster Fund. For example, \$1000 donated will generate sufficient credits for you to receive an MJF plus two tickets for the Bonus MJF drawing. The prizes for the bonus drawing have been generously donated by SDULC and NPLC with the winners being announced at the 4L6 Convention in May.

The host clubs will be periodically notified by the District 4L6 LCIF Coordinator of the amounts 4L6 clubs and individuals have donated. NPLC and SDULC will make donations equaling half of the amount donated by others, not exceeding each club's commitment of \$5000. MJF credit for the matching donations made will be retained by NPLC and SDULC.

If you have any questions about the LCIF Disaster Fund Match Campaign, please contact Mike Brandenburg at 619-743-7479 or mbrandenburg@cox.net.

If you have any issues while making your donation to LCIF, please contact Lion Jay Ruiz Sr. at 619-581-1051 or roaringlion4l6@aol.com or PDG Scott Leslie at 619-403-6547 or scott4L6Lion@cox.net.

While the host clubs are providing the bonus drawing prize, they cannot be held responsible for any drawing entry omissions due to any delays in LCI reporting. Please notify Lion Jay Ruiz Sr. when you make a donation (especially if large enough to trigger an MJF drawing entry(ies)), so he can ensure your donation is showing on reports he receives from LCI, our official source for the drawing. We recommend donations be made as soon as possible to ensure your donation will display on the final LCI report we pull on 5/3/23 to finalize the bonus drawing entries.

THANK YOU FOR DONATING TO LCIF
